# Eyewitness Travel Guide To Delhi, Agra And Jaipur

## Synopsis

The guide that shows you what other travel books only tell you! With over 900 full-color photographs, unique floor plans, and street-by-street maps, DK's Eyewitness Travel Guide: Delhi, Agra & Jaipur brings northern India to life. Explore all major sights including: Delhi's National Museum, Rastrapati Bhawan, Chandni Chowk Red Fort, and Qutb Minar; Agra's Taj Mahal, Itmad-ul-Daula, Deeg Water Palace, and Fatehpur Sikra; and Jaipur's City Palace, Amber Fort, Sariska National Park, Samode Palace, the pilgrim town of Pushkar, and Ranthambhore National Park. Special features highlight Northern India's fascinating history, culture and stunning architecture with additional material on the natural environment, India's religions, performing arts, miniature painting, Indian design and festivals. If Northern India is your business or vacation destination, this guide is the only reference you'll need.

Shipping Weight: 1.2 pounds

Average Customer Review: 4.5 out of 5 stars 3 customer reviews

Best Sellers Rank: #3,363,579 in Books (See Top 100 in Books) #66 in [Books > Travel > Asia > India > Delhi](#) #1364 in [Books > Travel > Asia > Japan > General](#) #1686 in [Books > Travel > Asia > India > General](#)

## Customer Reviews

...considered to be the world's best travel resource to over 30 destinations around the world, make it easier to plan a splendid vacation. -- North American Press Syndication Both novice and experienced travelers will be captivated. -- U.S. News & World Report Each book is a visual as well as informational feast about a particular place. -- The New York Times Encyclopedic in scope, it's meant to be used before, during, and after your stay. -- Travel & Leisure The best travel guides ever. -- Sky Magazine The most graphically exciting and visually pleasing series on the market. -- Chicago Tribune This is a guidebook series that always seems to inspire smiles... You feel, looking at

them, as if you could close the book and step into the street. -- Contra Costa Times With titles covering Paris, Prague, and London, these pocket-sized guides are like a Michelangelo fresco: deliriously rich in detail. -- People Magazine

Like all Eyewitness Guides, this is a very clever use of graphics and text to provide an informative and easily accessible travel guide. I've found this guide (as others in the series) to be exceptionally good on guiding one through the key sights, but not as useful as some others (e.g. Lonely Planet) in details on restaurants, hotels, shops, etc. One tradeoff for the high quality graphics is that the paper is heavier - so these guides are somewhat more burdensome to carry than most guidebooks.

The condition of the book was as described. Very happy with the purchase. It has helped us with our planning for an upcoming trip..

Being from India and having lived for many years in Delhi, I would strongly recommend this book to anyone who plans to travel to Delhi, Agra and Jaipur. The book presents very interesting information on a variety of important 'background' topics that can enrich visitors' experience of their visit to these cities. Knowing something about the history of the region, the religions, architectural styles, music, dance, styles of jewelry etc. can help appreciate the context for the sights, monuments, artefacts, customs and cultures that you will encounter. The text and explanations are lively and well written. The illustrations and the photographs are the best part of the book. Having wandered the streets of Chandni Chowk and spent many many hours enjoying the treasures of the National Museum in Delhi, the text and pictures in the book transported me back to the place that I remember so well. I've travelled to Agra and Jaipur many times on work and I wish I had had the benefit of a guide like this to help me enjoy the sights more richly. I am travelling back there with my family later this year and this is a book that you can be sure I will have in my pack!
