Customer Reviews

Instead of using this book as a reference I read it cover to cover. The great thoughts changed my life!

Exactly as described and arrived quickly.

I was going to give this away, but it caught my attention and I kept it. I guess that means I liked it? :)

great

Wish it was easier to find specific quotes (like by author) but the book is a gem!

Has a lot of good phrases that I plan to use in presentations. Like the way the topics are broken down for easy look-up and reference.

Not exactly what Charley wanted, but okay. MC
