BE MY LOVE, COWBOY Enhanced Edition (Texas Matchmakers Book 2)

Synopsis

From award-winning author Debra Clopton comes the Texas Matchmakers series—about three older women who set off a nationally advertised "Wives Wanted Campaign" to bring women to their small town of Mule Hollow to marry the lonesome cowboys. A far fetched idea that's working—look out fellas, the women are coming one car at a time! Eight months pregnant, stranded on a freezing winter night and in labor, loner Lilly Tipps has one hope and a prayer: her beloved little donkey Samantha. But is her desperate action enough to get the help she and her baby need? The last thing horse trainer Cort Wells expects on the frozen Texas night is to be awakened by an icicle encrusted donkey with the ability to break and enter. He soon realizes his standoffish neighbor is in trouble but can he get to her in time? A Grinch of a cowboy, a pregnant recluse, a depressed dog and a matchmaking donkey—An unusual combination. But add a baby to the mix to bind them all together and life and love have a whole new forecast—sunny days are peeking over the horizon

Customer Reviews

This book may be about the romance of Lilly and Cort, but the true lead character is Samantha, an aged burro. Sam is truly a quirky, almost human little donkey, who manages to cause more mayhem than she is worth! With her sidekick Loser, she manages to bring together two stubborn and broken-hearted individuals to a God ordained marriage.

More stories from Mule Hollow.....wonderful town with great people for the characters to know and help them grow. Really enjoyed book 2 and now on to book 3. Please keep writing this series. I know there 11 more to read for me and just want to ask Debra to continue this series.

I enjoyed this book because of the characters and the adorable little town in Texas. It's all about love and you never know when it will hit you. There is a lot of laughter and conversions with God. A fun series to read.

I purchased three of Debra Clopton's books with "Cowboy," in the title. Enjoyed all three. Yes, I recommend them. Good clean books with a different twist in each.

I loved this book. If all the books in the series are so fun and clean and well written, I'm in for a lot of really great reading.

This is a story of two people coming together in spite of their past heartbreak. An enjoyable love story with lots of humor in it.

I just started this series and can't put it down. A wonderful story that keeps me entertained. Funny and heartwarming all in one. What more can't I ask for.

Hard to describe the fun, romance, and suspense in this book. An attempt to regrow the town by bringing brides for the cowboys.
