Customer Reviews

I loved Max's determination and tender side and how much he adored Jillian. In turn, Jillian was also a very likable character with her fiery spirit and vulnerability. I hated some of the situations that they had to endure, one in particular that had me on the edge of my seat. In the end, however, love does conquer all.

This was a great read that I finished rather quick but it left me wanting more. This author is new to me and I thought the story flowed very well and only a few misspelled words but nothing bad.

This was my first book by this author. I really did enjoy this book. I plan to read Notebooks written by This author.

Loved it. The content lacks editing (dialogs can be confusing and there are some typos) but overall a good read. Nice story and likable characters.

This is a wonderful book. Is there going to be series??? I would buy every single book for my collection truly

Loved it! Keep writing please!!
