Customer Reviews

Awesome writer and the illustrations are very vivid. Adults can really learn from this book as well.

Sweet book with a nice message. A wholesome story to teach your children a valuable lesson about forgiveness. Beautiful illustrations that will engage the young reader.

This is an excellent book for my grandchildren. I love the illustrations!!!! I must get a hard copy for my library.

Krystena Lee has written a cute story about a little girl named Adeline who makes a mistake and breaks her grandfather's glasses. Her grandfather sees that she is distressed over the situation and

tells her he forgives her. She is surprised but soon she learns to forgive others who make mistakes too. Then one day a little boy pulls her hair on purpose. She then thinks she should not forgive the boy because it wasn't like he made a mistake. Her grandfather then teaches her that she is supposed to forgive everyone the way God forgives us. What this book doesn't teach is that we should hold people accountable for the bad things they do. Forgiving someone is one thing but letting people get away with abuse is another. This book at least opens up the topic for discussion. Parents should talk to children about bullying after reading this book.~The Rebecca ReviewI received this book free in exchange for a review. This review is my honest opinion.

This is a great follow up to the first book. It is definitely what I was looking for in a Christian children's book because it actually teaches the meaning of the verse and how to apply it. And my daughter loves the pictures!
