Con Mi Hija No (Best Seller (Debolsillo)) (Spanish Edition)

Synopsis

"Not to my child" is an agile, meticulous and schematic manual to prevent and heal the effects of sexual abuse on children. Lydia Piece took the decision of writing this book under the premises of avoid transmitting to children the sexual fears characteristic of the adults, and that they should be spoken to plainly about this issue, with explanations, even anecdotes and clear examples, "" as I learned it from my mother and other specialists"". With this in mind, she backed herself up with her mother's lecturer knowledge, the coaching of her psychologist sister and a wide group of specialists and experts in sexuality, criminal behaviors and abuses against boys and girls. In this work, the author has put aside the accusation tone she used in her previous books, to fulfill instead the social function of helping. The manual is for those who have contact with the little ones, regardless of their social or economic condition. As the author herself detailed: ""the book explains to parents, education professionals and justice enforcers how to speak with children about sexuality and abuse prevention, and the easiest and surest way of detecting when the infantile abuse has already been consummated. Un ÃfÂgil, puntual y esquemÃfÂtico manual para prevenir y sanar el abuso sexual infantil Lydia Cacho tomÃfÂ la determinaciÃfÂ n de escribir este libro bajo la premisa de no transmitir a los niÃfÂ os los miedos sexuales propios de los adultos y de que se les debe hablar con explicaciones, incluso anÃfÂcdotas y ejemplos claros y puntuales, ""tal y como lo aprendÃfÂ- de mi madre y otros especialistas"". Para ello, se cobijÃfÂ con los conocimientos de su madre conferencista, su hermana psicÃfÂloga y un nutrido grupo de especialistas y expertos en sexualidad, conductas criminales, y abusos contra niÃfÂ os y niÃfÂ as. En la presente entrega de la autora se ha dejado de lado el tono de denuncia plasmado en sus libros anteriores, para darle paso a la funciÃfÂ n social de ayudar. El manual es para aquellos que tienen contacto con menores de edad, sin importar condiciÃfÂ n social o econÃfÂ mica. O sea, detallÃfÂ la misma autora, ""el libro explica a las madres y padres de familia, profesionales de la educaciÃfÂ n e impartidores de justicia cÃfÂ mo hablar con los niÃfÂ os y niÃfÂ as sobre sexualidad y prevenciÃfÂ n del abuso, y la manera mÃfÂs fÃfÂcil y segura de detectar cuando ya se ha consumado el abuso infantil. --This text refers to an alternate Paperback edition.
