## Customer Reviews

"The comics perfectly match the tone of the show, from the humor to the visual style...fans might get the most out of these comical, frenetically illustrated comics, the jokes and stories should still entertain readers unfamiliar with the cartoon." (Booklist)

Gift, and perfect condition. Thank you

granddaughter loved it

Our granddaughter, 7 1/2, loved it.

Adorable book! Plenty of stories, and a good price!

I like this. Great price. Just think they could have put more comics in it.

Posted a picture so you can see what's included. Basic trade paperback collection. About 2/3 size of a comic book. Heavy paper, good ink. The comics are really fun to read. It's just like watching another episode of the show.
