With Jesus In The War Room: How To Hear Jesus Calling And Change Your Life (Battle Plan For Prayer Book 3)

Synopsis

I WANTED TO GET CLOSER TO JESUS – BUT I DIDN'T KNOW HOW

As Christians, we sometimes struggle to have a close relationship with Jesus. We want to be close, but our habits and anxieties seem to keep us far away. And if we did get close, would God really want us? This book will show you that God has made a way for you to be very close with Jesus. He is waiting to know you on a more intimate level, if only you will ask Him. God wants you to be his friend and will help you. Author Dan Lancaster was struck by how eight pictures of Jesus helped believers grow in their faith during his time as an international missionary in Southeast Asia. These eight pictures help believers love Jesus and others better. THAT kind of love is what we need in the world, and that is the direction this book will give you. Loving God was never intended to be complicated. The truth is that Jesus showed His disciples how to love God and He wants to show you how to love too. The author brings 40 years of his personal experience to the pages of this book, but most importantly, he looks to the Word to unearth how Jesus loved and how you can, too. With beautiful simplicity, Dr. Lancaster offers tangible methods to reshape your relationships beginning today. By opening your heart to these actionable techniques, you will begin to experience the true power of love in your relationship with God, in your community, and in ways you could never have imagined. Customer Reviews

I love how this guy gives practical tools on how to focus on your spiritual walk with Jesus. In this book he helps point out what your personality type is and how to identify with Jesus through the personality He has given you. Too often we try to identify with good ideas, or with popular teachers or role models. But God has made us unique and we need to see ourselves as He sees us if we're going to understand how to best relate with Him and do the work He had called us to. Very thankful for Dan and his good practical teaching.

The book was excellent in how to be like Jesus in 8 pictures. I like books that are hands on. May the Lord bless Daniel B. Lancaster with revelation in writing new books.

This author really causes you to think and consider how Jesus relates to each of His unique creations. His love of his Master shows through on each page.
