Customer Reviews

I send these to my elderly Mother and Uncle. They love them so much and the spiral bound makes them easy to handle.

Second or third purchase in the series of the puzzle book releases....my Mother really enjoys these books. Highly recommended! Great quality puzzle book(s).

I got this for my mother-in-law and she loves it because she can fold it to lay flat so she can work her puzzles in her chair.

Nice book. Great spiral edge! Easy to use. Good puzzles.

It was free shipping since added with another item. The book was ordered for an elder lady. She will love it.

Love this word search. Not terribly difficult. Great for relax time and for putting brain to work for a bit. Enjoy these for passing some time with a cup of coffee. My mom loves these as well. She is 92 yrs old. Great for almost any age. Enjoy them very much

The spiral bound book is nice and easy to do puzzles on both page.

LOVE this book. Love the spiral and also like that it's relevant to this decade (lots of puzzles related to pop culture). Highly recommend.
