Customer Reviews

Keto Homemade Ice Cream is a great collection of low-carb ice cream recipes. Now that people are starting to realize that sugar is the real culprit in our American diet, more and more folks are turning to the keto diet, which emphasizes reducing sugar, so this recipe book is a great resource. I've made several of the recipes in my ice cream maker and have been very pleased at the results.

A wonderful variety of recipes for ketogenic ice cream. Using stevia, Erythrol, nuts unsweetened chocolate cocoa, coconut nut butters organic thickeners such as Xanthan gum and guar gum. Chocolate vanilla fruit peanut butter watermelon amazing variety. Enjoy!

Really helps take the guesswork out of low carb keto frozen desserts! Eight more words required, why I don't know.

Not happy with this. Not what I would call low carb. This book is a disappointment. I wouldn't recommend to anyone.
