Hand Me Another Brick Bible Companion: Timeless Lessons On Leadership

Synopsis

In today's fast-paced, highly competitive world, where can we find godly leadership? Our society is overdue for a fresh word on the matter of leadership. We desperately need God's steady, unchanging wisdom in our businesses, homes, ministries, government, and education. Thankfully, we have beloved pastor and teacher Chuck Swindoll to guide us through a powerful book on leadership—the book of Nehemiah. In *Hand Me Another Brick Bible Companion*, you'll travel into Nehemiah's world where the walls of his beloved city, Jerusalem, had crumbled, its glory had collapsed into rubble, and his people had lost the heart to go on. They needed leadership. And with God's help, that is exactly what Nehemiah provided . . . in abundance. With God's help, you too can rise to the challenge of becoming a dynamic, godly leader. You'll find the insights and help you need in the lessons and special features of this excellent Bible Companion. Written for both individual and small-group study, the carefully crafted questions and reflections will draw you closer to God and equip you to lead with godliness, grace, and confidence. Join Chuck and Nehemiah now in rebuilding the walls of your life. And when times are tough, don't give up, just look to the Leader of all and say, "Hand me another brick!"

Good book. Worth reading!

excellent bible study about leadership and growing in faith based on the book of Nehemiah.

This book is beneficial for both those who lead and the ones who follow. These ancient principles are timeless and apply in our modern age. I am presently using this book for a ladies' Bible Study, and although most of the women do not see themselves as leaders they all have realms of influence that will benefit from a better understanding of qualities of strong leadership. Chuck Swindoll has an easy, readable style that makes this study flow with little effort.

Always love Swindoll material and this is excellent to present in a study. Taught the book many moons ago but this will give a new slant and insight.

My principal recommended me to read this book because I'm in a lot of leadership roles. It's a must read!!!!

I love everything Pastor Swindoll writes and teaches. I ordered this book for my sister as well. He is a wonderful teacher

Very insightful and useful.

Outstanding book for church leadership.
