Excellent book with valuable information about the Caribbean and various ports of call. Even after 13 Caribbean cruises, I found it most helpful and comprehensive.

As thorough a guide as you will find anywhere. easily the best tour book I've read on the Caribbean. I highly recommend this book

Great background and history for island stops and yet very accurate current info! Good book to have in preparation for the cruise and to bring with you!

Cruise research, I usually take it with me and leave it with crew members.

Great to plan your Caribbean cruise.

Taking a ten day cruise and this a great book that covers all the Caribbean ports. I like that she includes information about what's in the area where the ship docks.

I've had several Caribbean guide books but never one specifically for cruise ships. This book will make my upcoming cruise so much more enjoyable. Lots of good information and tips. I'm looking forward to using it.

I am thoroughly enjoying reading about the islands I will be visiting soon.
