Unlimited Memory: Moonwalking With Einstein Steps To Photographic Memory

Synopsis

Do you find yourself grasping to recall various moments? Maybe you can't remember a particular name of a person, even if you just met? Maybe you find yourself forgetting crucial dates when you know you should remember them? Memory can be a tricky thing. But what if I tell you, there is a way for you to remember dates, numbers, and other crucial information just by following simple steps and formulas? Unlimited Memory is a book designed to help encourage you as well as assist you in creating a longer-lasting memory. It is filled with insights into how memory works and what you can do to remember all the information you need. Within this book you'll find step-by-step guides as well as encouragement in your journey towards gaining a better memory. Smart Reads exists to provide you with the highest quality information in the least amount of time. Our team of professional writers work with experts on given topics to give you the content that matters quickly. Our books are short, simple, and highly informative so you get important information right away. We also pay it forward by donating 5% of our profit to Pencils of Promise to help build schools, train teachers, and support child education. Choose Smart Reads and get smart in less time.
