Customer Reviews

I enjoyed this book very informative. I visited several of the suggested places and had a great time! It was money well spent!

Still simply put possible hauntings. Short enjoyable read that may have you wanting to visit some, if not all the areas, to see or hear for yourself.

This is a great book and contains lots of interesting information. I am really happy that I purchased this!

I was really surprised by how tiny and brief this "book" was. I've lived in the southwest, and was really hoping this pamphlet would help in planning a trip with my sister. I will just have to do the research myself through various other sources.
