# Henry And Bessie: What They Did In The Country

## Synopsis

The hot summers in New York City are very tiresome for Henry and Bessie. With nothing but red brick buildings to look at and no room for trees in their yard, they long for a change. Imagine their excitement when a long journey ends at their new home in the country! Join them in 1853 for good times, good friends, and good works as they have a summer they will never forget. They learn to grow their own garden, try milking a cow, ride a goat-drawn cart and help change a little girl's life. Bessie's pure heart, Henry's independence and Mama's wisdom and love will charm and inspire readers in this lovely vintage novel for children. Most importantly, children will learn how much our Good Shepherd Jesus loves each one of them. This is a completely rewritten story, not a PDF or OCR version with a lot of garbage characters! See the introduction in the "Look Inside" feature to learn more about this edition.

## Book Information

Paperback: 178 pages

Publisher: Renewing Vintage Favorites (November 14, 2013)

Language: English

ISBN-10: 0985470879

ISBN-13: 978-0985470876

## Customer Reviews

Such a sweet book! I'm reading it to my 3,5, and 8 year olds. They love this story! And I love what it's teaching them, compassion.

I was so thankful to be introduced to her books. This is another delightful one that the children and I enjoyed reading together, snuggled up on the couch.

I really liked the engaging style of this entertaining book, and discovering what went on in the

country! Prentiss's creative storyline and Perkins' helpful adaptation kept the pages turning.

Another great book to learn family values. My son laughed reading about the games that Henry and Bessie played. I appreciated the Christian values being taught when Henry's family helped others.
