Essentials Of Handspinning

Synopsis

This book has a great amount of material in its 40 pages that's not easy to find elsewhere. Among other things, the author shows you how to produce handspun yarn in the same sizes as commercial yarn. That allows your handspun to be used with ordinary knitting patterns. The book ends with a chart of spinning faults and remedies.

Book Information

Paperback: 40 pages

Publisher: Charles T Branford (October 1987)

Language: English

ISBN-10: 0950729205

ISBN-13: 978-0950729206

Package Dimensions: 8.5 x 5.4 x 0.2 inches

Shipping Weight: 1.6 ounces

Average Customer Review: 4.5 out of 5 stars 3 customer reviews

Best Sellers Rank: #286,937 in Books (See Top 100 in Books) #112 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Weaving](#)

Customer Reviews

This book has a great amount of material in its 40 pages that's not easy to find elsewhere. Among other things, the author shows you how to produce handspun yarn in the same sizes as commercial yarn. That allows your handspun to be used with ordinary knitting patterns. The book ends with a chart of spinning faults and remedies.

A classic

It covers the basics but this is really more of an overview of spinning than an in-depth "how-to" manual - it's only 40 pages and looks like a self-published booklet. It would make a good guide if you're already taking a spinning class. But if you can't find it for less than the cost of her video, "Handspinning: Advanced Techniques", buy that instead - it's more basic than it sounds. And you'll get more out of it.

A classic upon which her other books build. I found she often referred back to it so I went looking and found this copy in great condition.
