Hal Jordan And The Green Lantern Corps Vol. 3: Quest For Hope (Rebirth) (Green Lantern - Hal Jordan And The Green Lantern Corps (Rebi)

Synopsis

Writer Robert Venditti (THE FLASH) is joined by iconic Green Lantern artist Ethan Van Sciver (GREEN LANTERN: REBIRTH, THE FLASH: REBIRTH) and artist Rafa Sandoval (CATWOMAN) to continue the rebirth of Hal Jordan and the Green Lantern Corps! It's a new era for the Green Lantern Corps. Based on the living planet Mogo under the leadership of John Stewart, the Corps are about to take on their toughest assignment ever—partnering with their bitter enemies in the Sinestro Corps, combining the powers of Will and Fear as a new force for good. But not all of the Sinestro Corps members are ready to sign on. So the new Green-Yellow partnership has their first mission: track down the rogue Sinestro Corps members and bring them in...either to join the Green Lanterns or rot in a cell. Hal Jordan has a different mission, however. Together with former Green Lantern and current White Lantern Kyle Rayner, Jordan has been tasked by the Guardians of the Universe to find and rescue Saint Walker—the final Blue Lantern and keeper of the Light of Hope. But will Hal, Kyle and Walker be able to bring Hope back to the universe...or will their mission only empower a threat that waits in the shadows? Find out in HAL JORDAN AND THE GREEN LANTERN CORPS VOL. 3: QUEST FOR HOPE. Collects HAL JORDAN AND THE GREEN LANTERN CORPS #14-21.

Robert Venditti is the New York Times best-selling author of The Homeland Directive and the sci-fi graphic novel series The Surrogates, the first installment of which was adapted into a feature film starring Bruce Willis and Ving Rhames. He also writes the graphic novel adaptations of Rick Riordan’s bestselling Percy Jackson and the Olympians novels. His most recent projects include X-O Manowar, GREEN LANTERN and THE FLASH.

‘Hal Jordan & the Green Lantern Corps, Volume 3: Quest for Hope’ by Robert Venditti with art by Ethan Van Scriver and Rafa Sandoval is fast becoming my favorite of the DC Rebirth titles. With complex stories and excellent art, I really like what is happening. The Green Lanterns and the Yellow Lanterns have to figure out how to work together and rebuild. With their past history, this won’t be easy. The remaining Yellows are hunted out and given the option of prison, or working with their new Green teammates. Guy Gardner tries a hands on approach with one Yellow that is such a typical Guy approach to problem solving. Meanwhile the Guardians have a search of their own to find hope in the galaxy with the use of a Blue Lantern. Once things finally seem settled, a new threat arrives...from the future. The story is good. There are a lot of story threads going on, and Venditti does a good job of keeping things interesting and moving along. Ethan Van Scriver and Rafa Sandoval’s art in this series is just amazing. I love the art choices and colors. The book seems epic and heroic in this team’s hands. I received a review copy of this graphic novel from DC Entertainment and NetGalley in exchange for an honest review. Thank you for allowing me to review this graphic novel.
