Customer Reviews

It is not as detailed as Frommer's but I like the color photographs and just the highlights it points out. I was in a group so I didn't need the complete detail other books gave. I really like all Eyewitness Travel Guides...I always look for their books first!

DK travel books are the BEST! I have purchased nine books in this series and have found that the information is accurate and the photos are superb. I get one of these every time I am headed for an unfamiliar destination.

Absolutely shameful that they didn't even mention Swaminarayan Akshardham in Delhi. It is the best tourist attraction in Delhi. Not just according to me but to most people on Trip Advisor. (I have the 2010 version of this book, Swaminarayan Akshardham opened in 2005)
