The Marked (Knight's Academy Book 1)

Synopsis

Myka Williams has never fit in with her peers, and although her adoptive parents are loving and supportive, she feels most at home alone in the woods. When she's offered a full scholarship to Knight's Academy in the Smoky Mountains of Tennessee, she takes the opportunity for a fresh start. She soon learns that Knight's Academy is more than just a school. Within the stone walls of the institution, humans and vampires are mixing, and their offspring are going unnoticed. As Myka falls prey to the evil plan of the school, she makes a chilling discovery about her own heritage and realizes that she's at the Academy for more than just an education. Myka must yield to her birthright at the risk of losing everyone she loves or succumb to the fate that Knight's Academy has in store for her—a fate worse than death.

Customer Reviews

I would recommend this book to almost anyone. It is clean, not even swearing. It had romance and

suspense and kept me interested the whole book , now...where is the next one.

This book is so good. I really love all the characters but one. Myka and Milo are like Romeo and Juliet but with a paranormal twist. I hated Preston also he is just so controlling and evil. Olivia and Luka are so cute together. I really cant wait till I read book 2

I wished it was worth it, but the whole first half of the book, is only to introduce the characters, the story stalls, I could not bring myself to read past 69%. I just wished the story progression was as the beginning and wasn't all but forgotten to the point where I couldn't read on from.

It's full of suspense with little violence. It's a clean story made mostly for teen, in my opinion. Keep up glue for the suspension

This was even better then I thought it would be. I cannot wait to see where this interesting series goes.

Well written story with good characters and an interesting plot. The story is eerie and dark tinged with excitement and hope. Kudos to the author for writing an excellent story that isn't peppered with gutter language and sexual situations, neither of which would have done anything enhance the story.

The Marked (Knight's Academy Book 1 by Author Emerald Barnes is one amazing story and I really enjoyed reading about Myka and the journey and her path when she enrolls in Knight's Academy. I am excited for this series and all of the characters in this book. Emerald Barnes is one talented Author and this book not only appeals to the young adults but to all ages. I think you should be checking this series out. I hope one day I can also watch this book on screen. Myka is a likable character and once you begin to read this book you will never stop.

Plot didn't suvk me in as I thought it would. Seemed like you typical paranormal YA novel with no twist.
