Customer Reviews

While I will not "rave" about the writing book, it is one of the ways to teach music to children. Using all of their senses is part of their learning experience.

My Kids are doing great in lessons, these are perfect for them

It is exactly what the music teacher told us to get.

Perfect for our dino-loving guy to practice writing music in.

Good for kids! Thanks

This writing music book met all of my expectations but one. I wish that I had known how few pages were in the book. I don't recall having this in the description when I ordered it. Other than that, it's great!
