The New Oxford Annotated Bible With Apocrypha: New Revised Standard Version

Synopsis

The premier study Bible used by scholars, pastors, undergraduate and graduate students, The New Oxford Annotated Bible with Apocrypha, featuring a protective two-piece box, offers a vast range of information, including extensive notes by experts in their fields; in-text maps, charts, and diagrams; supplementary essays on translation, biblical interpretation, cultural and historical background, and other general topics. Extensively revised--half of the material is brand new--featuring a new design to enhance readability and brand-new color maps, the Annotated Fourth Edition adds to the established reputation of this essential biblical studies resource. Many new and revised maps, charts, and diagrams further clarify information found in the Scripture text. In addition, section introductions have been expanded and the book introductions present their information in a standard format so that students can find what they need to know. Of course, the Fourth Edition retains the features prized by students, including single column annotations at the foot of the pages, in-text charts, and maps, a page number-keyed index of all the study materials in the volume, and Oxford's renowned Bible maps. This timely edition maintains and extends the excellence the Annotated's users have come to expect, bringing still more insights, information, and perspectives to bear upon the understanding of the biblical text.

- The renowned New Revised Standard Version Bible translation, the scholarly standard for study of the Bible
- Wholly revised, and greatly expanded book introductions and annotations.
- Annotations in a single column across the page bottom, paragraphed according to their boldface topical headings.
- In-text background essays on the major divisions of the biblical text.
- Essays on the history of the formation of the biblical canon for Jews and various Christian churches.
- More detailed explanations of the historical background of the text.
- More in-depth treatment of the history and varieties of biblical criticism.
- A timeline of major events in the ancient Near East.
- A full index to all of the study materials, keyed to the page numbers on which they occur.
- A full glossary of scholarly and critical terms.
- 36-page section of full color New Oxford Bible Maps, approximately 40 in-text line drawing maps and diagrams.

Classic but not stodgy, up-to-date but not trendy, The New Oxford Annotated Bible: 4th Edition is ready to serve new generations of students, teachers, and general readers.

Michael Coogan is Lecturer on Old Testament/Hebrew Bible at Harvard Divinity School and Director of Publications for the Harvard Semitic Museum. He has also taught at Harvard University, Boston College, Wellesley College, Fordham University, and the University of Waterloo (Ontario), and has participated in and directed archaeological excavations in Israel, Jordan, Cyprus, and Egypt. He is the author of Old Testament text books and The Old Testament VSI. Marc Z. Brettler is Dora Golding Professor of Biblical Studies and chair of the Department of Near Eastern and Judaic Studies, Brandeis University. Carol Newsom is Charles Howard Candler Professor of Old Testament, Candler School of Theology, Emory University. Pheme Perkins is Professor of Theology at Boston College.

The New Oxford Annotated Bible with Apocrypha: New Revised Standard Version has three separate ISBNs. Take a look at the following differences to help you differentiate: ISBN 978-0195289596 is the college edition. According to Oxford University Press, this simply means that this version does not have the concordance. This will have fewer pages than the other two versions. ISBN 978-0195289558 is the hardcover edition. ISBN 978-0195289565 is the hardcover index edition, meaning there are little tabs on the side of each page, indicating books of the bible. I found this information by contacting Oxford University Press Customer Service. There's a toll free number that's easily accessible. Simply use your favourite search engine to find their site, then click on their "Contact Us" link. Hope this helps people out there!

Awesome book. Tons of background info through introductions and annotations, which include interpretations. Most any useful thing you could think of. As someone with no background in Christianity, reading it has drastically accelerated my understanding. Before this I was reading an

unannotated KJV, which can be tough going.

I had the previous edition and used extensively while in theological seminary. Purchased in 1980, it was beyond worn out. Underlined, Greek words written in the margins, textual notes written on pages glued in, yes it was used heavily, so I knew what I wanted in an annotated bible. The newer edition delivered. BTW, not being an evangelical Christian, I found this indispensable for historical and textual studies.

This is the bible that we use for our Disciple bible studies at church, and the notes and additional information contained in it are extremely helpful. I ordered this e-version for my Kindle for when I travel.

Beautiful. I love my new Oxford Annotated Bible. I bought one twenty years ago, but wanted the newer revised edition. It's the best. And very fair price. Thank you.

Very impressed with how easy it is to use with the contents tab and search function. Very extensive learning tools. Extremely happy with this.

If you are looking for "easy reading" this is probably the wrong Bible for you. If you want very enlightening annotations, explanations, discussions of alternative interpretations of the Bible, this is a great choice. I like it for several reasons. First, it is considered an "Ecumenical Study Bible" -- meaning it is written with the intent of having no bias for or against any particular sect or religion. Second, it is the "complete" Bible, with the Apocrypha. Third, it has incredible details, comments, insights, etc., that I had not considered before. I find it extremely helpful as I use it in my studies. My only negative: I would prefer the font to be larger to make reading easier. However, this book already has almost 2400 pages, and is printed on thin paper. Larger font would make it even thicker, and heavier! So, this is a good trade-off. I just put on my reading glasses and deal with it.

Good study notes, might be a little secular but gives comprehensive information, with good essays. One thing to note, the pages are very thin, but aren't very hardy as are most bible pages. They feel a little more susceptible to ripping, however I haven't suffered a rip yet. Cover is a good material and the Bible feels good in the hand.
