King Lear (Cambridge School Shakespeare)

Synopsis

Like every other play in the Cambridge School Shakespeare series, King Lear has been specially prepared to help all students in schools and colleges. This version of King Lear aims to be different from other editions of the play. It invites you to bring the play to life in your classroom through enjoyable activities that will help increase your understanding. You are encouraged to make up your own mind about the play, rather than have someone else's interpretation handed down to you. Whatever you do, remember that Shakespeare wrote his plays to be acted, watched and enjoyed.

Customer Reviews

This marvelous new installation to the revamped "Pelican Shakespeare" series contains both the original 1608 version as big Will wrote it and the 1623 scaled-down and reworked version with which we are all familiar. If that wasn't enough, this edition also sports a scholarly introduction and notes on the texts. All that for less than the price of lunch at McDonald's makes this a remarkable bargain for all academic and public libraries. Don't play the fool; buy this. Copyright 2000 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

"...an exemplary consideration of all the new bibliographic explication...Halio has done an admirable job. If all editions of Shakespeare and his contemporaries were similarly conceived and presented, study and understanding of Elizabethan-Jacobean-Caroline drama would be greatly improved."

William B. Long, *TEXT: Transactions of the Society for Textual Scholarship* --This text refers to an

out of print or unavailable edition of this title.

Like I say about all Shakespeare: the Arden versions are my favorite. I own about a third of the Canon in them already. The footnotes are my favorite parts about it, and they're great because I don't have to carry my Lexicon around everywhere. King Lear is a brilliant play, all around. Between the family ties, the love and lust, and just the crazy existential dialogue, it's just a great read all-around.

I'm a fan of the layout of Folger Shakespeare Library. The covers are also beautiful, but the play on the right, explanation of archaic terms on the left style is very helpful to the reader and makes getting into Shakespeare much easier. King Lear is a great tragedy. It is very enjoyable.

This 'interpretation' alongside the original makes for much easier reading, while making the original so readily available also gives one the 'texture' of how the original felt. There is so much meaning and so much feeling contained in this play that the interpretation is essential unless one is able to interpret all the old English terms by oneself. So, I will certainly purchase further editions by this author's interpretations for more appreciation of the many plays of Shakespeare.

Every time I read this or watch this perform I feel changed. This edition is small, beautiful, and great. I have many of the plays in this edition, though truly the play is what makes me rate this so high. An exploration of madness, family, old age, and so much more. Read it and weep.

Was an AP English summer reading assignment. Read the Sparknotes after. Not my typical choice of text, but it is a classic

This is a welcome addition to my growing Folger library at home. Thank you!

Every time I re-read Lear I'm amazed at just how much pain and sorrow we must endure in life. This Folger Library edition makes the language easily comprehensible. One can read straight through without difficulty, which restores the tension and flow to the action.

Excellent collection of essays that enable students to consider the play in its historical context.
