Fairest One: A Snow White Retelling (The Fairytale Prophecies Book 2)

Synopsis

What if fairytales weren't just stories, but modern-day prophecies? Rosa only wanted to keep her seven foster brothers happy and avoid awkward situations with the hottest guy in school. What she didn't mean to do was turn invisible. Life gets more complicated when her stepmom shows up and asks her to come live with her. Having a family is all Rosa's ever wanted, but when she begins to have dreams that come true, she can't justify leaving. Just when she thinks she's all alone, a strange girl from California shows up and tells her she's the girl prophesied about in the fairytale, Snow White. But the story left out the fact that the princess had superpowers. When she discovers she not the only one with magic, she must decide to trust these strangers to save her loved ones or keep her secret hidden and try to rescue them herself. The next in the Fairytale Prophecies series: Peculiar Beauty Annabelle wanted to save her brother. She didn't know the beast she'd find.

Customer Reviews

I LOVE these retellings. They are a different twist on fairy tales and I LOVE them. I wish there was a little more with the love interest at the end but still it was a well written, hold my interest book. Well

done Amy!

This was another excellent retelling and modernizing of the classic fairytale. What I love about this series is that they have elements of the fairytales, but they are completely their own story. It was nice to see Rosa as a strong character with flaws that she learned to overcome and worked to change. I loved her loyalty to her boys, even though they weren't always nice to her. The romance with Forrest was okay. I didn't feel the chemistry as much as I did in the last book, but it was still there and still enjoyable. It's nice having clean, YA that has some of the excitement and action of other series without all the smut. Great book!!!

Fairest One: A Snow White Retelling is book two from Amy Linnabary's The Fairytale Prophecies series. I loved this retelling of one of my favorite fairy tales. Such a fun, clean and quick read. Recommended. 4 1/2 stars. Received this book from the author, but was not required to write a review. This review is 100% my own honest opinion.

I was so excited when the second book in the Fairytale Prophecies came out and it did not disappoint! I read it all in one day. It hooked me in from the very first chapter. I'd recommend reading Cinder Heart first, and then continuing on with the Fairest One. I CANNOT WAIT for the 3rd book to come out! *I received an ARC in exchange for an honest review.

I loved this. It was even better than Cinder Heart, which I very much enjoyed. The tension between the main character and her crush was perfect, the plot intriguing. The Fairytale Prophecies is a unique spin off of the old classic fairytales, and Fairest One is the finest one so far. Can't wait to see what Amy Linnabary publishes next.
