Now, the major books making up the body of Enochian literature are presented to the public in a single volume. Joseph Lumpkin is the author of the best-selling work, "The Lost Book of Enoch." His work on both 1 Enoch and 2 Enoch has met with wide acceptance and plaudits. My mother use to tell me to read the Book of Enoch all the time but I never listened to her. She was well read, overly intelligent to the point where no one really could talk to her about the Bible or the history except Cardinals which really didn't talk about the Book of Enoch but knew of it. My mother was diagnosed with cancer, it was at the stage where nothing could be done which suited her. Her words were take me home! I told her I was working on it and she said to me not that home!!! I took her home she died two days later without hesitation or wonder of where she would be going. At this point of my life I wondered how can anyone be that sure? she wasn't a bible thumper, (for the lack of a better saying) she was well read in a lot of history I was clueless to. In this moment in my life I decided to research and read her library of knowledge. I started with the book of Enoch. My eyes were open and so many things answered. I would recommend this book to all.

The book of Enoch will not take you away from the bible but actually confirms it I dont know why they ever took it out of the bible it explains alot of questions people might have on Giants and the nephilim angels and stuff. also in this day and age could even explain what happens when we mess with DNA SERIOUSLY YOU NEED THIS BOOK

Great Read...Enjoyed Learning Something New...Opens The Door To Explore More...And To Ask Questions About Modern Day Faith...Renews My Spirit And Faith In God...
