Customer Reviews

Best book ever to defeat the Obama/ Alinsky leftists !

I now understand more clearly why the left in politics behave in the way that they do. If only they understood what the consequences would be of what they are striving to achieve.

Excellent read.

Good book

Excellent

Its a good counterpoint for anyone familiar with Alinsky's Rules for Radicals and the techniques Saul lay's out there.

Everyone should read this. Explains a lot about the lack of intellectual discussion of important issues by the left and how toxic the political environment is today.

must read to help deal with Alinsky rules for radicals
