Needlepoint Tissue Box Patterns For Plastic Canvas

Synopsis

Plastic canvas tissue box designs reflect various themes that are both classic and elegant in style. If you are searching for a hand made gift item that is both practical and elegant you will surely find one among Susan's Needlepoint Tissue Box Patterns for Plastic Canvas. There are twelve unique and colorful designs in this portfolio by Susan Bradford. These are plastic canvas needlepoint designs that result in useful, practical pieces once stitched and assembled. Each one has been stitched and assembled by Susan to make sure that the pattern works as designed. These tissue box patterns on plastic canvas come with a materials list, thread color chart, and complete instructions. In addition there is a color photograph of each completed plastic canvas tissue box. Stitching skills required for tissue box patterns on plastic canvas can range from basic to advanced, depending upon the project. Some patterns will require additional patience during the assembly process. You will enjoy the challenge in any of these projects and be rewarded with a unique and wonderful piece once you complete it.
