Catholic Prayer Book For Children

Synopsis

Here are: - Beloved, traditional Catholic prayers- Original prayers that accurately reflect a youngster's daily concerns and experiences- A "how to" for offering his or her own prayers- The basics of the Catholic Faith: the Ten Commandments, Beatitudes, sacraments, corporal and spiritual works of mercy, and more- An age-appropriate "examination of conscience," and an introduction to the Mass and its major prayers. The Catholic Prayer Book for Children makes the perfect First Reconciliation or First Communion gift. This is the keepsake your child will keep. The prayers, lessons, and truths we never outgrow.

Grade Level: 4 - 7

Customer Reviews

Julianne has spent more than a decade as a writer, editor, marketing specialist, and designer at newspapers in Indiana and Colorado. She spends her spare time volunteering at the local art museum, studying to be a personal trainer, and seeing things anew through the eyes of her daughter. A cradle Catholic, Julianne is now eagerly sharing her faith as a volunteer in her parish's religious education program. Davidson is an award winning watercolorist and illustrator.

My 10 year old daughter has been expressing an interest in becoming Catholic. I purchased this book for her because she wanted specific prayers she could say. The book is slightly larger than a

paperback book. It isn't very long, but my daughter really likes it. The prayers are divided into categories, a basic order of Mass is included, and there is a "Stuff every Catholic kid should know" section with some basic information. This is a really good introduction to Catholic prayers. I also really like that they give additional information about the prayers. For instance, the book includes information such as the origin of the prayer and where you can go in the Bible to find more information. My daughter was thrilled with this book.

This book has standard prayers as well as prayers written in simplified language for children. I especially liked the prayers that addressed everyday situations like "big day at school" and "when Mommy is grouchy." It also gave instructions for saying the rosary, attending Mass, etc.

Great book for my 6 year old son to help him learn some basic prayers. It has beautiful illustrations and also includes the revised order of the Mass. We will use this each evening and take it to Mass as well. Very nice.

This isn't a fully bound book, It is simply folded in half and stapled in the center. This isn't that big of a deal for me so far as it's held up well to my destructive 4 year old, but others may find it disappointing. My daughter really enjoys looking through this book and asks me to read/say the prayers with her all the time, more out of interest than some devout inner devotion. So it has helped spark her interest in learning the prayers. What was most disappointing for me was the wording of the prayers. The words are not the traditional wording of the prayers that my daughter is used to saying. Some of the wordings of the prayers aren't even the normal modern wording of prayers, they just seem to be rephrased according to the publisher's desire. I wanted to use this book to help my daughter learn some of the more well-known prayers of the faith, but the wording isn't what she would be learning or using at school or church or anywhere that I know.

For Easter this year, I purchased these books for my reading age (grade school) nieces and nephews and also for my own young children. This is a very well done, thorough, fantastic book, containing even the updated Mass responses! I highly recommend this book.

THIS IS SUCH A BEAUTIFUL PRAYER BOOK. IT HAS SO MUCH INFORMATION TO LEARN AND SHARE AND REFER BACK TO IN THE YEARS TO COME AND YOU WILL NEVER REGRET THIS PURCHASE. HIGHLY RECOMMENDED FOR A CHILD AND EVEN ADULTS!

I gave this to my 6 and 8 year old grandchildren. I spent time going through different prayers with them. I encouraged them to read the prayer for before the school day to start their day. I am so glad I found this book and recommend it for others.

I'm new to catholicism and this was a great little book that really breaks everything down for you. This is a must!
