The Stormrider Surf Guide - India, Sri Lanka And The Bay Of Bengal (Stormrider Surf Guides)

Synopsis

A whole sub-continent of waves have largely been ignored by the traveling surf tribes for the best part of half a century and aside from Sri Lanka, very few countries in the Bay of Bengal would be considered true surf destinations. This is not to say there is no surf - quite the opposite in fact - but India, Myanmar and Thailand are on a completely different travel agenda, so few bother to lug a board round for what most perceive as 2ft monsoonal wind slop. The reality is there are days of real quality to be had on all these coasts during their on season, with surprising wave height, power and shape. The Stormrider Surf Guide Kindle ebooks are just part of the worlds best selling and most respected collection of surfing guide books. The Stormrider Surf Guides come in just about every format possible including paper, Itunes App and now the Kindle edition ebooks. They are the only comprehensive colour guides to the coastlines of Europe, North America, Central American and the Caribbean, Indonesia and the Indian Ocean, South America, Africa, East Asia, The Pacific and Australia. The authoritative text includes oceanographic, environmental and cultural notes on the entire coastlines. Each guide contains numerous full colour maps and superb photos of the best waves, shot by the best photographers. All information is compiled with the help of local riders whose sensitive approach enables an accurate and knowledgeable appraisal. An essential tool for surfers searching for their perfect wave.
