Janette Sebring Lowrey, author of *The Poky Little Puppy*, wrote few picture books. She was known for writing teen fiction for Harper & Row in the 1940s and 1950s.

One of 's best kept secrets are Little Golden Books. I can count on all books in the series to be here, and many are sold much cheaper than what can be found locally. Some stories have withstood generations, and it's nice to also see current titles being added all the time too. I like that the books are so kid-friendly--ours get read constantly. At these low prices, I don't care how dog-eared they become because replacement doesn't cost an arm and a leg. Even better deals are the Golden Book "favorite" series, like this one. Currently there are about twenty themed books that offer three stories in one book. Pictures and words remain intact, but buying the books bundled like this is an even cheaper option. This particular book contains everybody's three favorites. As a child, I remember poring over the inner covers, studying all the storyland characters. Sixty years later, my grandkids do the same thing. These are time-tested books.

Old time favorite. Grandchildren loved it!

THESE BOOKS ARE AMAZING!

Bought as a baby shower gift & they loved it. Has the best stories that I remember as a kid in the 80s. We put an insert in the front page explaining that we used to have these as children & want their child to experience the same great memories.

I ordered more than 5 little golden books for my two-year old son and this is one of his all-time favorites. He loves the pictures and reads through it every day since he had this book. And I am sure he will continue to learn and have fun from reading this book in the next couple of years. A Good buy.

All my favorites in one place. I love these stories and I am so glad that I have them now for my collection. One day when I have Grandchildren I will be able to share these classics with them.

Great classic stories. These are def longer stories compared to the newer little golden books that are written these days so if you read multiple books at night be prepared to maybe just read this one alone if you have a younger toddler.

I loved the Little Golden Books when I was younger! So when my friend was having a baby I knew this would be a great gift.
