Cool book great recipes

Gave it as a Christmas gift to a camper should cooks in a cast iron over fire. He liked it alot!

Dutch Oven Cookbook- e book. A Must have. Great for your kindle.

For my husband who loves to cook over campfire

gift

I love my Dutch oven because it makes cooking inside or out so easy and delicious. Now they make dutch ovens so many ways but I still love my cast iron one.and the recipes found in this cookbook come out so delicious. I love the Smokey barbecue beans. Thank you and enjoy your day.

I bought this book for my son, since he loves to cook over an open fire with his dutch oven. This is not the book for that. Also, someone did not do a very good job of proof reading. The jalapeno break steps are under the cinnamon bun recipe. Very disappointed. I will have to find a different book by a different publisher to meet his wants.

These recipes are for the stove-top and not camping.
