Remote Control Daddy: Book 2

Synopsis

It's official. My curiosity got the better of me. After learning how much fun the man of the house is on the first remote control setting, I have to find out what else he's made of, how many kinky layers I can peel away. And all it takes is one press of the button to learn that he's down with a threesome. That's right. The man who raised me wants to invite his huge, HOT friend from work over, just so they can tease my body before stuffing me at both ends with their meaty, throbbing members. And when He takes me hard and unprotected, it only adds to the thrill.
