I LOVE THE CD!!!!!!

I have a long commute so I was looking for something inspirational to start my mornings. The material and music was really nice. They share a snippet of scripture and some meditative questions related to it. It was nice, but I really want something more in depth. But I guess it's hard to do that when each segment is ~5-10 minutes long.

The drive time message cd's are awesome! I first bought the men's one but liked it so much, I bought all of them. The devotionals are so pertinent to our daily lives and provide a great message especially while driving in traffic and long trips. I highly recommend it!

The daily messages are not at all spiritual, I actually find them boring. I guess if you are a new Christian this might help, but I really wanted something that was deeper into the Bible and prayer and this just isn't doing it for me.

IT IS A GIFT FOR SOMEONE ELSE

hated the voice, It made me sleepy and I don't think you should buy this if you are trying to get inspired.

great cd for praying n waiting upon the Lord's presence we both like it
