Customer Reviews

It is awesome. I love all of your books and this is one of the best so far. When I catch a snore I will teach it giga impact.

The books are cute, and my son likes them because they are Pokemon, but definitely not worth the price. These books cost about \$2 more than they are worth. Had I known exactly what they were at the time, I would not have bought them all for my son--maybe just one. Too expensive for the value.

My son loves the book! It arrived timely!

Cute book! We got a plush to give with it! Definitely a hit for Pokémon lovers!

Som enjoying it but even he (8) picked out all the grammatical errors.

awesome

Cute book series, even for a tween who loves Pokemon!

Love the creative voice! Such a cute story. Perfect for any young Pokemon trainer.
