# The Lemonade Cookbook: Southern California Comfort Food From L.A.'s Favorite Modern Cafeteria

## Synopsis

The Lemonade Cookbook takes the bold flavors, imaginative dishes, and southern California lifestyle that have made the brand an instant hit and captures them in a fresh, beautifully-designed, full-color book. Like Los Angeles, Lemonade's cuisine is carefully blended with variety. L.A. is agents and movie grips, surfers and yoga moms, students and celebrities, and a wide mix of different culinary traditions. At Lemonade the marketplace salads, unique sandwiches, and slow-simmered stews taste as though every culture stirred a bit into the pot. For example, the skirt steak with grilled onions and piquillo peppers with its smoky depth, pairs perfectly with the snappy salad of Chinese long beans, plums, and scallion vinaigrette. A comfortable place where locals and visitors enjoy a rotating daily spread of deliciousness, the recipes, more than 120 in all, stress simple cooking preparation with a global taste, and are a perfect fit for today's on-the-go lifestyles and perceptive palates. And, of course, it wouldn't be L.A. without the amazing desserts. From banana mascarpone layer cake to caramel fleur de sel macaroons to peanut butter milk chocolate cookies, there are recipes for treats galore, plus ten different recipes for delicious flavors of lemonade. The Lemonade Cookbook: Southern California Comfort Food from L.A.'s Favorite Modern Cafeteria speaks to all cooks who want to make sophisticated highly-urban "comfort food" with ease.

## Book Information

Hardcover: 256 pages

Publisher: St. Martin's Press (October 29, 2013)

## Customer Reviews

"Lemonade. Just the word conjures up sunshine, picnics, memories of childhood, and the wonderfully simple things in life." The Beach Reporter "With a menu

featuring ingredients such as champagne vinaigrette, black kale, lemongrass, and saffron creme fraiche, you will be wishing there were four meals a day.Ã¢â€¢Ã¢â€¢Ã¢â€¢Ã¢â€¢Everything L.A. blogÃ¢â€¢Ã¢â€¢Grab a tray and choose from an array of salads...or try one of the pot roasts simmering in colorful cast-iron cookware. Wash it down with ginger peach lemonade.Ã¢â€¢Ã¢â€¢Ã¢â€¢Ã¢â€¢The New York Times Travel Section

ALAN JACKSON'sÃ¢â€¢ LemonadeÃ¢â€¢ cafes are taking Los Angeles by storm. Five years ago, Jackson (formerly of Jackson's andÃ¢â€¢ The FarmÃ¢â€¢ in Beverly Hills) opened the fast-casual restaurant Lemonade in West Hollywood; it was so successful, he opened eight additional locations, with more to come. Jackson lives with his family in L.A. JOANN CIANCIULLI has written nearly a dozen cookbooks, most recently the acclaimed L.A.'s Original Farmers Market Cookbook, the Recipe Rehab Cookbook, and the Master Chef Cookbook. As a producer, her television credits include Recipe Rehab on ABC, Master Chef on FOX, Food Network's Next Iron Chef, and Top Chef on Bravo. She lives in Los Angeles.

I love eating at Lemonade so I was excited to receive this book but was disappointed by the recipes in it. For one, I wish there were more pictures since Lemonade is all about fresh ingredients and colorful dishes - they could've taken advantage of this and made the inside even more lively with food. Also there's an awful lot of vinaigrettes you have to make for every dish. As someone who's not a fan of vinaigrettes, I was not enthused to find out that that was the primary part of almost all the dishes I wanted to recreate. The recipes weren't that exciting and I wish I could return the book. I can't see myself referencing it again.

I love Lemonade! I always stop by whenever I'm in LA. It's so great to be able to make their delicious recipes at home. One thing I will mention, is that some of my favorites take a lot of prep time!

Not all recipes at the Lemonade restaurant are included. Some of the page numbers in the index were also inaccurate.

Great restaurant and great recipes that accurately replicates their food at home. Only negative is that the main dishes cross reference other recipes in the book, so building a shopping list from the ingredient list means flipping pages in the book to capture multiple recipes. It's worth it though.

Good

Great recipes!!

Great cookbook...got to make all the things I enjoyed at the restaurant!! Wholesome ingredients!

This food spot is always spot-on with flavors and fresh fare. The recipes are not all terribly simple, but I didn't really expect simplicity because everything tastes so freaking good! Some of my favorite dishes are not represented here, but what a great way to bring these flavors home.
