Customer Reviews

There is some underworld related content. I liked the plot and the story is very interesting. I would recommend it.

A traditional romance, a story a little dated but more than just a meeting of...minds. The details of London places and curious personalities make the basis for a swift-reading romance with a light mystery mix in. Where's the publisher's info? Well, ROUGH and READY is by Elizabeth Oldfield. From the cover: "I'll get rid of you," Rhys had promised her. And Alexis had no doubt that he meant it. She needed her job as cashier at the Casino Venetia, in London's racy SOHO district, but her employer's tough Welsh bodyguard was determined to see her lost it. What was going on behind the club's elegant facade that he was so anxious for her to leave it? Was there more to the

Casino Venetia than met the eye? And Rhys---was he only what he appeared to be, or was he so much more? Give it a try, you will not be disappointed.
