# The River Is Dark (A Liam Dempsey Thriller Book 1)

## Synopsis

In a small town along the Mississippi River, separate but nearly identical attacks have left two married couples brutally murdered in their homes. A young boy—the lone survivor of the killings—now lies comatose in the hospital. And the police’s only lead is the boy’s terrified description of the assailant: a “monster.” Enter former homicide detective Liam Dempsey, whose estranged brother fell victim to the killer. Dragged into the investigation as a suspect, Dempsey vows to solve the case and clear his name. But two things stand between him and the truth: a web of local politics, and the grim secrets the victims held close. All the while, a murderer with boundless hatred continues to raise the body count. As the troubled ex-cop tries to pull justice from the town’s emotional wreckage, he realizes that his could be the next life lost to the killer’s ruthless, twisted plan for revenge. Revised edition: This edition of *The River Is Dark* includes editorial revisions.

## Customer Reviews

this is an exciting novel with a good storyline and a good cast of surprising characters. While the

main character is a priest; he is unlike most priests. He makes many personal sacrifices as he follows his quest to find a missing women and overcome a crime ring of enormous power. The story will hold your interest and keep you reading. I recommend it.

A good mystery. I enjoyed the pleasurable read. It kept me guessing and wondering three quarters of the way throw. Some of it was a little beyond logic towards the end. Thus four stars. But, would recommend.

I was not impressed by the story line or the charters in the story. This may be a great read for anyone else looking for the thriller and action.

I can't always finish a book - if it doesn't hold my interest, I don't read it. This is one I definitely read through. I highly recommend.

Joe Hart has a way to tangle and untangle the story so well you just can't help turning the next page and the next and the next.

I like a well developed book. Good characters. Suspenseful! Will read next book the whole series will be good reads

This was the first book I have read by this author but it was truly amazing! Can't wait to read the next one in this series!

This was a great read. looking forward to t he next book in this series. Highly recommend Joe Hart books
