Fighting Back: A Shadow Falls Novella

Synopsis

The final novella in the New York Times bestselling Shadow Falls series! “I highly recommend this series filled with darkness and light, hope and danger, friendship and romance.” —Night Owl Reviews Everything is changing, and Kylie’s not sure how to feel about it. It’s her senior year at Shadow Falls, but her boyfriend, Lucas Parker, has already graduated and has new responsibilities with the werewolf council. When he breaks a promise to her and leaves on a two-week mission for his pack, she starts to worry that their love just isn’t strong enough to stand the test of time. While still devastated by his absence and the emotional distance that’s grown between them, Kylie’s visited by a new spirit with a vague but urgent message: “Save him.” The spectral visits are unsettling and confounding, but when Kylie discovers the ghost’s connection to Lucas, she becomes terrified. Lucas is the one she needs to save. While their future may still be uncertain, Kylie will do whatever it takes to save the life of the only boy she’s ever truly loved.
