Letters To Open When...: Write Now. Read Later. Treasure Forever. (Letters To My)

Synopsis

Twelve prompted letters offer a meaningful way for friends, family, and long-distance loves to be there in spirit when they can't be there in person. The gift-giver fills this book of letters with pep talks and good cheer, seals each envelope with a sticker, and gifts this keepsake for future opening. The recipient gets to break the seals to find the greatest gift: their loved one's encouraging words whenever they need them the most.

very creative fun activity book

Such an awesome concept! Love these books. Cannot wait to present them to recipient once I complete the pages. The letter topics are great also.

I love the idea of it Haven't used them yet

This is such a cute gift idea! I loved it!

I ordered three for my husband to fill out for our three children! Love the concept and the book. Would highly recommend.

Such a great idea! I actually bought this to give to my family members, who can write me letters, and I can read during times I'm feeling down or just missing them.

I love this!! Perfectly made so that letters are actually bound into the book. Precious & sweet way to create something amazing for your child to open throughout life and keep forever!

Great idea
