Bimbo Beginnings: 10-Story Erotic MC Bundle

Synopsis

Even with a harem of bimbos to choose from, you never forget your first. Every man dreams of the same girl: The perfect body, ripe for the taking & just waiting to fulfill your every fantasy. The only obstacle in your way is that pesky personality of hers. But what if you gained the power of total, perfect seduction, with the ability to turn any woman you desire into a begging, insatiable bimbo? Another man's trophy wife, the hot, nerdy chick you know is a freak between the sheets, or that coworker you can't stop fantasizing about. It doesn't matter. These pilot stories to series are all about bending them to your will & over your knee, no matter how out of character it might be for them. Because when any girl can be your personal pet, obsessed with her master, you don't ask: You take them. But she's only the beginning.

Customer Reviews

I particularly enjoyed the book that was second to last because I hadn't read it in its entirety before. I enjoyed revisiting some very good stories by Jen Eastwood.
