Customer Reviews

The Bear family might not win the blue ribbon for their entry in the pumpkin contest during the annual Bear Country Thanksgiving Festival, but they do gain a new appreciation of the true spirit of the holiday and all they have to be thankful for.

Stan and Jan Berenstain were already successful cartoonists for magazines and adult humor books when they began writing children's books. The first story starring the bear family, *The Big Honey Hunt*, appeared in 1962. Since then, more than 360 Berenstain Bears books have been published, and more than 300 million copies have been sold. What began as an idea sparked by their young sons' love of reading has become one of the best-selling children's book series ever.

I keep "holiday" and "seasonal" books in with my holiday decor so new books get pulled out every time that decor gets switched out. This fall book has my kids jumping up and down when it comes out.

Always enjoyable for my granddaughter.

Good Book, my daughter made me buy every one for her and she reads them to me before bed. The lessons in these books should be mandatory reading for adults when they turn 21, it would make the world a more friendly place.

We liked this book and it was good to add it to our kids collection. We're very happy with the good condition and timely manner of it's arrival.

Family Favorite!

I love the Berenstain Bears books. I bought them for my children when they were little and now I am buying them for my grandchild.

I raised all 3 of my kids on these books. My oldest daughter is a Nanny and she wanted this to read to her kids. They loved the story. We love all of these books. This one is especially meaningful.

It was very good for my child.
