A Laird's Promise (Highland Heartbeats Book 1)

Synopsis

Some promises are hard to keep. Phillip promised he would let her go home. He promised, after she completed her task, she would be free. He didn't promise her that he wouldn't capture her heart before he released her. For Sarah, captive of the Highland laird, that these promises are kept is paramount. Phillip never expected to fall in love with the woman who was supposed to save his brother's life. He also never expected to break a promise. But some promises are hard to keep, especially when he finds out the secrets she's keeping.

Customer Reviews

I really enjoyed the book. I thought the characters were fully formed, the plot was believable, I appreciated the "clean" romance, and the ending was satisfying. However, the terrible job performed by the proofreader was extremely disturbing and distracted from the enjoyment of the storyline. I would reconsider employing that proofreader.

I enjoyed reading this. The romance was clean. The hero was kind, something the heroine wasn't

used to, and the ending left room for more stories. I'm looking forward to reading the next book.

This the first book of Aileen Adams I have read and I very much enjoyed the story. I started it late last night and so wanted to stay up and continue to read, but I also wanted to really enjoy it so finished it today. I love strong women characters and even though you do not get to know Heather till later in the book with Sarah you know right from the start. A true healer even when kidnapped to heal Phillip's brother. I am looking forward to read other book by Ms Adams

Romance is the name of the game in this book. This book delivers what we all want more romance and excitement in our life. Overall i am very well pleased with this book and the excitement it has brought me. This book had me unwilling to put it down until I turned the last page. It was good! I read it in two days. At first I wasn't sure about it, I felt like there was too much tell, and not enough show when introducing the characters, but then I got sucked into it and read it right up! A great read for historical romance lovers!

This book tells a very enjoyable story.. It would be quite an excellent book if the author had a better proofreader..

Good read! It has alpha males and strong heroines. Definitely recommend to my friends! Can't wait to read Jake and Heather's story!

Enjoyed the plot. Easy to read.
