# Benedict Cumberbatch Reads Sherlock Holmes' Rediscovered Railway Stories: Four Original Short Stories

## Synopsis

In a drawer in his bureau, Dr. Watson keeps a locked cedarwood chest—“a box of secrets.” It contains an archive of notes referring to some of Holmes’ cases that, for one reason or another, never saw the light of day. Now, for the first time, Watson has decided to reveal the truth to the world. . . In these four thrilling stories, Holmes experiments with the science of ballistics, locates some missing gold bullion, investigates the theft of a large amount of money, and solves the baffling mystery of the Stovey murder. Benedict Cumberbatch reads these four new Sherlock Holmes stories by John Taylor: "An Inscrutable Masquerade," "The Conundrum of Coach 13," "The Trinity Vicarage Larceny," and "The 10.59 Assassin." Inspired by Arthur Conan Doyle’s original Sherlock Holmes stories, John Taylor has written four more mysteries featuring the world’s greatest detective. Read by acclaimed actor Benedict Cumberbatch, these new adventures share all the suspense of the original tales.

John Taylor is a writer and former BBC radio producer. He now runs The Fiction Factory production company, an established supplier of programs to the BBC.

If you’re a Sherlock Holmes fan, buy it. If you’re a radio show or an audio book fan, buy it. If you’re a Cumberbatch fan, buy it. This is a great addition, despite the fact that they’re essentially Conan Doyle fan fiction. They’re interesting, though, and it’s a great purchase.

I love Mr. Cumberbatch's protrait of Sherlock Holmes. No one does a better Sherlock Holmes in modern times than he does. I've also discovered with listening to these cd's that he is also an excellent book reader. he portrays each charater in these books very well and his voice is not monotone at all. I just love them.

These stories are true to the vein of Sir Arthur Conan Doyle. Benedict Cumberbatch has the most melodious voice on the planet. His style lulls you to a state of euphoria in accordance with the storyline.

I purchased this for my son as a present. He and his wife both enjoyed the reading and the stories.

LOVE BENEDICT COMBERBATCH!!! great stories. FANTASTIC READER!!!!!!

It was awesome!

Exceptional listen.

Of all the audiobooks I have, this one is my personal favorite to listen to because Benedict Cumberbatch is the best narrator I've ever found and the combination of his lovely voice and Sherlock Holmes pastiches is a match made in heaven. I'd rate the quality of the short stories themselves as fairly good, but it's really the intelligent way he reads them, giving each character a distinct voice and personality, that makes quality of this audiobook excellent. His characterization of Holmes and Watson in these stories is traditional and likable in an old-fashioned, Victorian way. Holmes is not harsh, as some narrators of the classic stories make him seem, and Watson isn't a foolish sidekick, as he's often been portrayed. Cumberbatch is sensitively aware of the importance of their friendship and clearly expresses the value each one places on it.
