Customer Reviews

This is not a bad basic dictionary for just basic getting around. It does lack a lot of technical words, though. So, if you need to translate more than a general newspaper or magazine article, you may be out of luck.

Very nicely organized with the words highlighted to find them easily. The book is heavier than I

would have liked.

Although it is very good, it is not extensive enough. I like carrying it back and forth to class.

Love this little dictionary.

It is a good dictionary, but it is not a pocket dictionary - too big. I ended up getting another smaller dictionary.

Great resource!

Too big/thick to handle easily and writing is very small

Definitely NOT something you could put in your pocket!
