The best comic I've read since Monstress came out last year. Give it a shot. I can't wait for volume two.

This is charming and quirky. I loved O'Malley's work with Scott Pilgrim, and this is definitely a change of scenery, but equally enjoyable.

Arrived on time. Great quality. This is Snotgirl issues 1-5, in one book. Loved them all.

Another great book by O'Malley

Compelling story with GORGEOUS art. Leslie Hung's art it the definite stand out here, it's worth reading just to see the art.

Super fun art and the story has me drawn in. I need to know what happens next!

Interesting story, great art, lots of boogers. I really like the boogers.

Got the first issue at a local comic store & waited for this so I can read them all. I couldn't get passed the second issue. My gf liked it tho.
