Wedding Storyteller, Volume 1: Elevating The Approach To Photographing Wedding Stories

Synopsis

In *Wedding Storyteller, Volume 1: Elevating the Approach to Photographing Wedding Stories*, photographer and educator Roberto Valenzuela delivers what so many of his readers have been asking for: a book specifically dedicated to helping photographers improve their wedding photography. A wedding photographer himself, Roberto built his business from the ground up based on high-quality imagery that tells a compelling and beautiful story for his clients' most important day. This is not a standard wedding photography book. In *Wedding Storyteller*, you will not find a collection of "looks" which neither inspire nor teach you anything. You will also not find a wedding shot list—at least not in the traditional sense. Instead, *Wedding Storyteller* goes beyond the superficial and dives deeply into the truly important topics, themes, and subject matter you need to learn about in order to drastically elevate your wedding photography. Most importantly, Roberto stresses the crucial role that storytelling plays in creating compelling, meaningful, and unique photographs for your clients.
