Vive Le Color! Hearts (Adult Coloring Book): Color In; De-stress (72 Tear-out Pages)

Synopsis

Whether you want to unplug completely or be creatively engaged while commuting or watching TV, this adult coloring book offers 72 pages of beautiful and meditative designs featuring hearts in every artistic style: Celtic hearts, folk art hearts, winged hearts, flower-filled hearts, mandalalike heart patterns, and designs with the word "love." Top-bound coloring pad is perfect for the right- and left-handed. Detachable sheets make it easy to display your finished work or share pages at coloring parties. 72 illustrations are printed single-sided on high-quality paper that is suitable for pencils, markers, and watercolors. Customer Reviews

Great little coloring book, beautiful pictures, just the right size for traveling . I have bought quite a few Vive Le Color books and they are high quality. Printed on one side only , and thick quality paper. Many I have given as gifts and all my friends like them to. I use pencils and gels, no bleed through. These are not full size books, small square books, 6-1/2 by 6-1/2, approximately ...Some pictures are quite challenging , and others aren't . A nice mix .. Enjoy

Really enjoy using this book. The designs are varied and beautiful and the paper weight is great for using various mediums. Also, the pages are only one sided so you can do various things with the finished picture without having to sacrifice a different design. Will be ordering other books from this company

The one negative is that the pages come apart, would rather have this book as spiral notebook, the binding did not hold so when trying to color the other pages would come loose, disappointed

Smaller than I thought but still fun. Helps to bring my blood pressure down. Calms me.

I'm 52 years old and I still love to color. Can't wait to get started on this book.

Pretty
