Cat Castles: 20 Cardboard Habitats You Can Build Yourself

Synopsis

Build your cat a "paw-some" homemade habitats with easy instructions and common materials. Shoeboxes and paper bags are fine for other cats. But your favorite felines deserve luxurious living spaces! This DIY construction guide includes fun and easy instructions for making cardboard trains, ships, food trucks, rockets, and other hideouts. Also included are tips for climbing towers and scratching pads that they can use to stay sharp. All twenty projects are quick to assemble and require inexpensive and easy-to-find materials. You can customize them to match your cat's wildest desires!

Love this book. We started to make the houses and our cats and kittens love them. We work with a rescue group and plan to make these for our fellow volunteers and for craft fairs.

I bought my husband a chop saw and this book as part of his birthday presents. He built a cat van replica of his van using this book. Needless to say, he loves it.

What a delightful way to bond with your furry companion. Step-by-step guide to building cardboard fortresses for your cat. Designs can be easily scaled up or down for bigger&smaller animals, and arranged together into a cat village. Highly recommended for all pet owners.

An adorable book on how to make your cat even more apart of your lifestyle without having to spend a great amount of money. All projects have easy to follow instructions and do not cost much to make.

The perfect gift for a cat lover.

Love the ideas but not so sure I can do some of them

Bought it as a joke for a new cat owner. The cat loves the castle thy made as well as the scratching post they made.

Fun craft book! My grandson is enjoying it this summer.
