# Wedding Toasts Made Easy!: The Complete Guide

## Synopsis

Wedding Toasts Made Easy is often called The Bible of Wedding Toasts because of its wealth of time-trusted advice on how to research, write, practice and perfect an original, personalized wedding toast (with specific tips for the Best Man, Maid of Honor, Father of the Bride and others asked to toast the new couple). Readers rave about how the author's unique methods of dealing with stage fright helped them conquer their fear of public speaking -- and enabled them to deliver their toast with total confidence. The book also contains a treasury of wedding-related quotes and one-liners to draw upon. Sample speeches and templates are also included, along with a new bonus section on how to plan and emcee a successful wedding reception. Wedding Toasts Made Easy has been featured on Live with Regis & Kelly, Martha Stewart Living, Fox New York, The John Tesh Radio Show and in dozens of publications, including The New York Times, Washington Post, Chicago Tribune, Men's Health, Women's Health, Hallmark, Wedding Bells, The Knot and Bride Magazine.

Tom is also an accomplished Wedding Toastmaster and Master of Ceremonies. He is a graduate of Simon Fraser University's School of Communications and the Dale Carnegie Program.

This book was a disappointment. I wanted help in writing a toast for my daughter's wedding, and although there were sections on that subject, the book was more like a wedding planner. The subtitle "The Complete Guide" (displayed down by the author's name) did not prepare me for such a generalized book with toasts only being a part of the content.

Excellent condition!

great toasts

The book can't write or deliver the toast/speech for you, but it can help you plan and navigate the drama. It also gives lots of hints in wedding planning, which can come in handy.

We bought this to help us out for our daughter's wedding. We don't like it when people just get up at weddings and ramble on. This books gave guidelines and toasting ideas that we could use. I recommend it.

This book helped me a ton. It's useful more that just making a wedding toast too. I was clueless about weddings in general.
