# Plant Life Cycle (How Plants Grow): 2nd Grade Science Workbook | Children's Botany Books Edition

## Synopsis

Awareness springs from education. You can only encourage your child to be environmentally aware if you feed his/her mind with the facts and pictures. Therefore, the purpose of this educational book is to educate your child to be aware of his/her surroundings. It will teach him/her to appreciate and eventually, to become a good custodian of the Earth. Start your child's education right! Buy a book today!
