Milet Publishing is a leading independent publisher of books for children, young adults, and adults, featuring more than 300 titles in English and more than 25 languages that celebrate multiculturalism and multilingualism.

I have mixed feelings here. I bought this feeling it would be very simple like "sad, happy, mad" but it was full on grammatically complex sentences that any child "first" starting out in Italian would not know. With that said, if your child is getting a bit of Italian at home this would be perfect. The book is good and nicely done. For us though, it wasn't quite what I was looking for.

the pictures are excellent but the language is NOT colloquial Bangla and the ideas behind the pictures are great, too but somebody with some know-how needs to work on the Bangla!!!!

Great quality. Adorable. Can't wait till my daughter starts trying to read.

Perfect for me (beginner) Since I'm learning this new language, I know it's for kids, but it's simple, well described and images are great to understand.

Our daughter enjoys the books because both my wife and I can read them to her. My wife speaks Polish but I do not so they are very convenient.

Great book for little ones

Satisfy!

The feelings in this book are largely negative. It's kind of a bummer!
